

MARKET CONDUCT ANALYST

(Insurance Company Examiner I)

STATE OF NEW HAMPSHIRE

INSURANCE DEPARTMENT

\$47,677.50 - \$56,862.00

#41773

The Market Conduct Division of the New Hampshire Insurance Department seeks a full time analyst with a strong professional background and experience to review company data, perform market analysis and examine regulated Property & Casualty entities as assigned by the supervising personnel. Candidates should possess a working knowledge of insurance laws, regulations and procedures and have a thorough knowledge of Microsoft Office, particularly Word, Excel, and Access.

MINIMUM QUALIFICATIONS:

EDUCATION: Bachelor's degree from a recognized college or university with a major in accounting, finance, insurance, statistics, criminal justice, business administration or law, economics, social sciences, government, or its equivalent with a minimum of fifteen credit hours in any of the above fields.

EXPERIENCE: Six years experience in accounting, auditing, business administration, insurance management or regulation, two years of which must include insurance company examinations, market conduct examinations, insurance department rate, policy, contract or consumer protection regulatory experience, or underwriting and loss adjustment. Registration with the New Hampshire Board of Accountancy as a Certified Public Accountant or possession of one of the following nationally recognized professional designations: AIE, CFE, CIE, FLMI, CLU, ChFC, CPCU, or an equivalent designation may be substituted for two years of work experience.

LICENSE/CERTIFICATION: None required.

Please download and complete a State Employment Application by logging on to: www.nh.gov/hr or obtain an application from the Division of Personnel, State House Annex Concord NH 03301. Tel: (603) 271-3261.
